Letter No. 96/s dated the 3rd February 1925 from the Chief Engineer of Mysore, to the Secretary to Government, Public Works Department,

---

With reference to your letter No. 1292 dated the 1st November 1924 re Tour Notes of the First Member of Council in the Mysore and Hassan Districts in July and August 1924, I have the honour to inform you that the work connected with the closing of the breaches in Chengravalli anicut was completed expeditiously and water was admitted into the irrigation channel in time for transplantation purposes. Personal attention was bestowed by the Executive Engineer till the beginning of January 1925 to secure continuously supply of water to the atchakat lands to have the wet crops fully matured.

2. An estimate for Rs. 4,970 for restoring the anicut has since been sanctioned and arrangements are made for the collection of materials. The Executive Engineer reports that this work will be completed in all respects before the Mungar monsoons set in.

C o p y.

Assistant Secretary to Government,
Public Works Department.
